Zoho Corporation

General Questions

1. What is Zoho Show? Can I create presentations from scratch using Zoho Show?

Zoho Show is an online presentation tool that lets you create, edit, access, and deliver slides from anywhere. It offers a full-fledged presentation editor with standard features—text formatting, background themes, transitions and animations, inserting pictures from the web, and adding shapes, charts, tables, and media files. Also, it comes along with an exclusive format mode that automatically responds to your clicks with contextual formatting options.

2. Is Zoho Show dependent on my operating system?

No, Zoho Show is not dependent on any operating system (OS). It works on all major operating systems. However, it is browser dependent.

3. What browsers does Zoho Show support?

Zoho Show is compatible with all standard web browsers, including Google Chrome, Ulaa, Internet Explorer, Firefox, Edge and Safari. To make sure you have the best experience possible, we recommend you update your browser to its latest version.

4. How do I sign up and create a Zoho Show Account?

Open https://show.zoho.com/presentations in a web browser and enter the required sign-up details, including a valid email address and password, to create your Zoho account. You can also sign in using other social media accounts like Google, Facebook, or Twitter.

5. Can I install Zoho Show on my computer?

No, Zoho Show can not be installed on your computer. You can access presentations only using a web browser and an internet connection.

6. Can I import presentations from MS Powerpoint?

Yes, you can import presentations from MS Powerpoint. Import and convert many different file types into Zoho Show while keeping your source file intact. Learn how to import presentations into Zoho Show.

7. Can I upload my existing presentations to Zoho Show? What file formats do you support?

Yes, you can upload your existing presentations into Zoho Show. Zoho Show supports the following file formats:

- .ppt
- .pps
- .odp

- .sxi
- .pptx
- .ppsx

8. Is there an upload or import file limit in Zoho Show?

Each presentation that you upload or import into Zoho Show must be less than 500 MB in size. However, there is no limit for the number of presentations that you can import into Zoho Show.

9. Can I download or save presentations created using Zoho Show on my computer?

Yes, you can. Zoho Show presentations can be saved offline on your computer in **.pptx, .odp, .ppsx,** and **.pdf** formats. You can also email your exported presentation to colleagues or make a copy for future reference.

10. Can I share a Zoho Show presentation with others for editing?

Yes, Zoho Show allows you to share and then edit your presentations at the same time as your colleagues. You can also set privilege rights for shared collaborators and further secure them with a password for defined users. Only the presentations that are made public are viewable by everyone.
